MAINE'S NEXT CONSERVATION LEADERS

Protecting nature. Preserving life.™

TNC Next brings together Maine's brightest working men and women who share a love of nature, a concern for the environment and a belief that hope and action are indispensable to make a difference.

Our overarching goal is to engage young professionals in a way that maximizes the organization's conservation effectiveness in Maine and builds a group of emerging conservation leaders.

Participation in TNC Next provides the opportunity to collaborate and network with like-minded people in conservation-themed pursuits such as: receptions, informative lectures and private field trips to some of the most beautiful and pristine places in Maine. You will also receive all the benefits of being a member of The Nature Conservancy, including a one-year subscription to our award-winning magazine, our Maine Legacy quarterly newsletter, and the opportunity to receive our monthly Great Places e-newsletter.
