

LIABILITY RELEASE

I, _____, have volunteered to assist The Nature Conservancy, a non-profit conservation organization, organized and existing under the laws of the State of New Hampshire (“the Conservancy”) with work on behalf of The Nature Conservancy in the State of New Hampshire.

I have volunteered my time and services because of my support for the Conservancy and because of my desire to participate actively in the furtherance of that work. I understand that my activities as a volunteer may entail a risk of physical injury or death, and I may be exposed to hazards including, by way of illustration but not limitation: weather, travel over bodies of water, unimproved topographic hazards such as cliffs, ravines, caves, loose or falling rocks, poisonous insects reptiles or plants, wild animals, fire (including intentionally set fires for biological management) and hazards associated with strenuous manual labor. I understand and assume all such risks. Because the assertion of claims against the Conservancy for personal injury occurring during my volunteer service would be antithetical to my support of the Conservancy and its goals and would reduce the ability of the Conservancy to accomplish its charitable purpose, I am granting this release.

I agree to abide by all rules and regulations of The Nature Conservancy regarding safety and use of any and all equipment. I understand that no drugs or alcoholic beverages are to be consumed by volunteers during volunteer activities and that I will be asked to leave the premises if suspected to be under the influence of same.

On behalf of myself, my estate and the personal representative thereof, my heirs and assigns, I hereby forever release The Nature Conservancy, a non-profit corporation, organized and existing under the laws of the State of New Hampshire, its officers, directors, employees and agents, from any and all costs, claims, losses, liabilities or damages arising from or in any way related to, my service as a volunteer for the New Hampshire Chapter of the Conservancy. I intend this release to be effective, regardless whether the claim of liability is asserted in negligence, strict liability in tort, or other theory of tort recovery. For myself, my estate and the personal representative thereof, my heirs and assigns, I covenant and agree to make no claim, nor to institute any suit, action or proceeding against the Conservancy, its officers, directors, employees and agents, relating to any accident, incident or occurrence arising out of or in connection with, my volunteer activities.

IN WITNESS WHEREOF, I have executed this release as of _____, 2002.
