

Who We Are

The Nature Conservancy's Young Professionals Group ("YPG") brings together a cross-section of the city's brightest working men and women who share a love of nature, a concern for the environment and a belief that hope and action are indispensable to make a difference. Our goal is to ensure that this and following generations learn about and participate in conservation activities at a local, regional and global level.

Why should I become a member of The Nature Conservancy?

While many of our activities are open to anyone who is interested, we encourage you to become a member of The Nature Conservancy by making a gift to support conservation. In recognition of your commitment, you will receive invitations to exclusive events, meet Conservancy experts, and be invited to attend special trips.

- **Conservation Partners** are invited to special trips and programs hosted by the YPG, are able to bring a non-member guest to attend members-only activities, and receive additional benefits from The Nature Conservancy that include an invitation to a complimentary cocktail reception for you and a guest. (\$1,000 annual contribution)
- **Conservationists** are invited to participate in activities hosted or attended by Conservancy Trustees. (\$500 annual contribution)
- **Supporters** receive invitations to exclusive invite-only events. (\$250 annual contribution)
- **Friends** receive all the benefits of being a Nature Conservancy member and have access to YP-hosted preserve trips and talks with Conservancy scientists and program staff. (\$100 annual contribution)

Please mail this form to: The Nature Conservancy, 322 Eighth Avenue, 16th Floor, New York, NY 10001. (We do not recommend sending forms by email or fax as we cannot guarantee the security of your information via those methods.)

*To learn more about the YPG and how you can get involved, visit us on the web at nature.org/ypg.
All gifts are fully tax-deductible to the extent allowed by law.*

I would like to join the Young Professionals Group and help to make a difference.
