

Feathered Stars Data Sheet

Name _____ Tour Group Name _____

The name of the bird you studied at the Preserve _____

During your Preserve tour you were to have made notes about an Instant Expert bird species in your Field Guide. Place an "X" in the box below that is next to the topic you were an expert about. Then, copy your notes neatly into that section. After you and the rest of the Instant Experts for this species exchange notes, you will be able to fill in some or all of the other sections.

∨ Adaptations _____

∨ Food & Feeding _____
