Anyone!

**Who?**  
No experience necessary.

Take Pictures!

**What?**  
Document and explore nature.

Polk County!

**Where?**  
Anywhere, even in your own backyard.

iNaturalist!

**How?**  
Upload your photos of plants and animals.

Help document the biodiversity of Polk County by taking photos of our native plants and animals and uploading them to iNaturalist. Participate on your own terms or join us for one of our events!
