**Your safety is your responsibility**

- You are in a desert and are encouraged to always carry water with you.
- Weather changes abruptly in mountain regions. Be prepared.
- Trails can be unmaintained and unclear. Use your map to avoid turning onto an animal trail.
- Wild animals roam freely here; keep children close by.
- Cell phone service is unavailable. Always tell someone where you plan to hike and when you will return.
- The sun is intense in high altitude. Wear sunscreen, a hat, and long sleeves to protect your skin.

**Show your respect for this special place**

- Keep wildlife safe - No Pets Allowed.
- Motorized vehicles allowed on designated roads only.
- No fires allowed.
- Unauthorized discharge of firearms prohibited.
- Harassment, injury, and feeding of wildlife prohibited.
- Garbage can injure wildlife. Pack out all trash.
- Plants are food and habitat. Plant collection prohibited.
- Historic & prehistoric artifacts are common in this area. Do not remove parts of history. Leave all historic items in place to allow for future research.

**Attention Visitors**

Please tell a staff member if you see anything unexpected or that needs attention. Ask a staff member how you can help sustain this preserve for future generations with a monetary donation or that of your time by applying to be a volunteer. Please do your best to allow other visitors to enjoy their visits.
