The Nature Conservancy is an Equal Opportunity Employer.

Our commitment to diversity includes the recognition that our conservation mission is best advanced by the leadership and contributions of people of all genders, diverse backgrounds, beliefs, and culture. Recruiting and mentoring staff to create an inclusive organization that reflects our global character is a priority, and we encourage applicants from all cultures, races, colors, religions, sexes, national or regional origins, ages, disability status, sexual orientation, gender identity, military, protected veteran status or other status protected by law.

The Nature Conservancy in Indiana is seeking a **Volunteer Video Editor** to support its freshwater conservation team. This role will help us better utilize existing drone video footage for conservation initiatives. If you have experience with editing video footage and managing video files, this role is a great way to strengthen your skills and add to your resume.

The volunteer will edit videos, create shorter clips of key conservation observational data, and organize video footage. This can be done remotely or at the Indianapolis TNC office.

This volunteer role will work closely with the freshwater conservation team. The volunteer will learn about TNC's work, network with staff, and strengthen skills in video editing, all while helping TNC tackle the most pressing environmental issues of our day.
