

TAKE THE  
**WALK THE WETLANDS**  
CHALLENGE!

Celebrating the Great Salt Lake Shorelands Preserve Visitor Center's 15th Anniversary

This year, we're celebrating the 15th anniversary of the visitor center at TNC's Great Salt Lake Shorelands Preserve. We challenge you to walk the visitor center's 1-mile, boardwalk loop, 15 times before November 1, 2019. **Send us your completed log, and you win a free TNC t-shirt! See details below.**

**STEP 1: Walk the boardwalk loop - 15 times!**

The Visitor Center has a one-mile boardwalk loop trail through the wetlands. Get fit and enjoy nature as you challenge yourself to make it around the boardwalk 15 times. You might choose to do it all in one day or come back several times to complete your 15 loops. **You must complete the challenge by November 1, 2019.**

**STEP 2: Fill out the log.**

Download and print the boardwalk log. Each time you complete a loop around the boardwalk, fill out the date and time.

**STEP 3: Take a selfie.**

Don't forget to take a photo and share your experience with us! Post it on TNC Utah's Facebook page wall, or use the hashtag **#WalktheWetlands on Twitter and/or Instagram!**

**STEP 4: Send us your completed log by November 1, 2019!**

The preferred method is to take a picture or scan your log and email it to [utah@tnc.org](mailto:utah@tnc.org) or you can also mail it to:

The Nature Conservancy  
c/o Andrea Nelson  
559 East South Temple
