

# OUR FINANCIALS

(July 1, 2019–June 30, 2020)

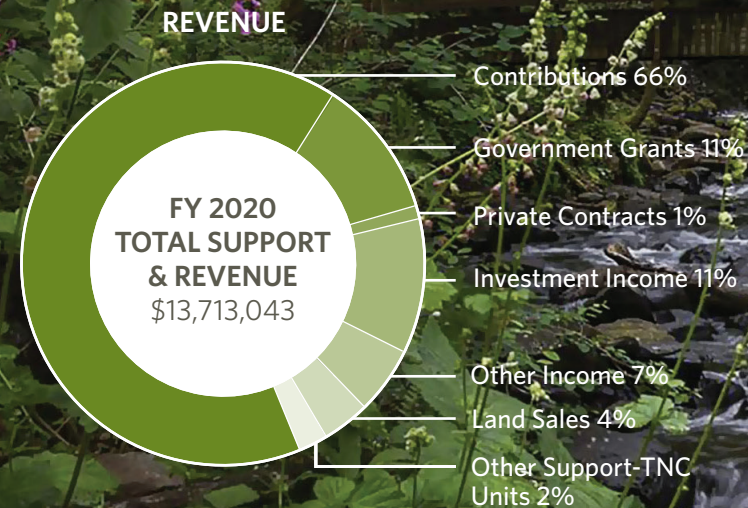

## WE CARRY OUT OUR WORK WITH A DEEP COMMITMENT TO ACCOUNTABILITY AND TRANSPARENCY.

As a leading global charity, we hold ourselves accountable to our members, the public and all creatures that have a stake in the preservation of the world's natural resources. We seek to make use of every dollar donated to The Nature Conservancy with careful attention to effectiveness and efficiency.

We are able to accomplish so much because we make careful use of our resources, with 84 percent of our funding going directly to our science-driven conservation work. Charity Navigator and the Better Business Bureau applaud program efficiencies above 66 percent, so you can be confident that any investment in TNC will be put to good use.
